

Minimum Requirements

Web Pages: We have a total of 10 pages, all interconnected through various links.

Hyperlinked Files: Under the "Download" section in the top right corner, we've set up links to 10 files, each in a different format including a word-processing file, a spreadsheet, a PDF, a graphics file (such as JPG, GIF, or PNG), program files (such as JavaScript, Perl, VisualBasic, C++, or Python), and a video file (such as MPG, MOV, AVI, WMV).

Interactive Elements: We've incorporated radio buttons and pictures with hyperlinked functionality across 4 games and 1 tool.

External Links: In the footer, you can find links to our Facebook, Twitter, Instagram, and the GitHub repository for this project.

JavaScript Loops: Each game and tool utilizes a "for" loop for logic implementation in JavaScript.

Lists: We've used ordered and unordered lists in the first game and our Development Plan.

Fonts: The "Blue Mini Game Collection" title and the "Green Tools" title each use different fonts.

Font Sizes: We are using different font sizes for each game.

Font Emphasis: Game names are styled with italics, underlining, and bold.

Font Colors: Titles of the "Blue Mini Game Collection" and the "Green Tools" are styled in their respective colors, alongside black.

Tables: A comprehensive table is featured in our Development Plan.

Background Images: Each game or tool features a unique theme color as a background image.

Design and Usability: Our site features varied themes, layouts, colors, styles, and usability options tailored for each game.

Anchor Tags: A multitude of anchor tags are used throughout the site.

Email Tag: An email tag is located in the footer for easy contact.

Extra Credit

Navigation Menu: We've included a top bar menu for easy navigation across the website.
